

CARRIER ISPS SURCHARGE ADJUSTMENT

Dear valued customer,

In order to defray cost assessed by Port Authorities and Terminal Operators for increased security cost, Hamburg Sud is forced to increase the Carrier ISPS surcharge to:

Carrier ISPS Surcharge USD 16/container

Carrier ISPS Surcharge EUR 13/container

Carrier ISPS Surcharge GBP 11/container

In addition to Carrier ISPS further price elements will apply. For EEA-related trades please click [here](#)

The Carrier ISPS Surcharge is applicable to all Hamburg Sud shipments and does not affect the port ISPS surcharges applied by the various ports. The new surcharge level comes into effect on 01st October 2018 and is valid until further notice.

Thank you for your continuous support on our services. Please contact your local Hamburg Süd office should you require more information.
